if you are willing to have your Member information (name, address, phone, email) stored on the secure RSCDS database.

Why join the RSCDS Adelaide and Districts Branch?

Being a member of the Royal Scottish Country Dance Society supports **your local Branch and class teacher** as well as the Society Headquarters in Scotland.

For about \$1 per week, your personal membership benefits include:

- **discounts** to attend Adelaide and Districts Branch events, such as workshops, socials, and the Annual Ball, usually **saving you 20-30% on your ticket price.**
- **discount** to attend **any other Australian RSCDS event**, such as interstate Balls or Socials.
- a quarterly **Reel Spiel newsletter** to keep up to date with happenings from Adelaide and Districts classes.
- information from other Australian Branches and HQ.

Why did I join the Branch?

Being a member makes me feel part of the Scottish Country Dancing community. I have a feeling of belonging. We need an active RSCDS to promote and develop SCD. Each year the RSCDS committee do an amazing job in planning a wide range of activities with something for all dancers and it deserves our support.

Since joining, I have found many other perks in being a member, such as:

- *discount on tickets for socials and special events. Last year I would probably have got nearly half my membership fee back in discounts.*
- *members receive lots of information on a wide range of topics, not necessarily associated with dancing e.g. concerts, clan get-togethers, various functions with a Scottish flavour. I have gone to things that I wouldn't have known about otherwise.*

When I started, everyone joined, it didn't occur to us not to. I like to go to Branch class. I also keep my membership going for historic reasons. I do enjoy the magazine from Scotland. They have made a big effort to improve it in recent years and it has worked. I also enjoy the Reel Spiel.

I joined the RSCDS because I had been attending dancing classes and balls for five years, and felt that it was the right time to join.

Like all organisations, it is important to maintain membership numbers. From that perspective it is important that I can provide some type of financial and moral support in keeping the society going.
