

Captain Me

**Have fun with your child
while they learn important life skills!**

DATE: March 2, 2024

TIME: 10:00 – 11:00 am

PLACE: Town of Shawangunk Community Room - 14 Central Avenue, Wallkill, NY

WHO SHOULD COME: Children under 10 years of age & their parent(s) / guardian(s)

Join innovative school-based occupational therapist **Dr. Amy Coopersmith** as she provides a fun, entertaining lesson from Captain Me, her well-established program designed to promote children's motivation and problem-solving skills. Captain Me is a lively, interactive program for children, using puppets and music to help them learn to take responsibility, make good decisions for themselves, and find their joy!

Children and their grown-up(s) are invited for a fun hour featuring Cappy, an engaging puppet who struggles with daily challenges. Everyone will have the chance to identify what makes them special and create a simple plan of action to promote problem solving and independent thinking. Then we'll sing a song with Cappy to help remember the positive message and promote learning.

To reserve your spot, please complete the application below, enclose a check or cash for \$10 in a business envelope, and either drop it off at Town Hall in Wallkill or mail it to: Vision of Wallkill, Box 49, Wallkill, NY 12589. For more information, call Adrienne at 917 656-7945. Seating is limited, so reserve your spot early.
