Who we are

EgazTrade is a company belongs to “EgAz Group” specialists in the provision of commercial advisory services, implementing & managing all investment projects.

We offer our services and good experience in the field of commercial representation to manage of strategic business through import and export of goods characterized by sustainable advantage to each country to and from all countries of the world-wide

Our products:

Most of our Egyptian agricultural crops are distinguished in compare with other countries all over the world.

Many of our products produced has unique flavour , taste and quality due to their Egyptian soil fertility, temperate climate and multiple resources of water (River Nile, Groundwater wells, Rain water).

This is due to the great interest that the State has assumed an advanced position in the export of agricultural crops, taking all safety measures and applying international quality standards in offering a product that has the satisfaction for customer's need abroad.

Our company provides the best crops that are distinguished by Egypt and have a good reputation to all countries worldwide.

Our products include the following:

- › Fresh Fruit & Vegetables
- › Medical Herbs
- › Aromatic oils

Our Policy:

Our company cooperates with the largest agricultural crops stations in Egypt which has a wide range of experience in collecting, preparing all agricultural crops & has the following quality certificates:

- › International standards for quality systems ISO /9001
- › International standards for environmental management systems
- › Occupational Health & Safety Management System Specification OHSAS 18001

- › International standards for food management system ISO 22000
- › EC1907/2006 to reduce the impact of chemical on the environment & human health
- › Member of Global/program G.A.p
