

# *Chapter Noah*

*Chapter 71 Of The Sacred Qur'an  
Explained in the English language*

## **In The Name Of The One True God, The Most Gracious, The Most Compassionate**

In Arabic (a Semitic language) God is known as Allah, the name Allah exists in The Old Testament: in the Hebrew form in Genesis 1.1 Eloh/Elohim, and The New Testament of The Bible, the Aramaic form in New testament/Peshitta: Alah/Alaha: *Matthew 5:8, 'Blessed are the pure in heart for they shall see "Alaha"'*

1: Indeed, We sent Noah to His people with the message: 'Warn your people before a painful punishment befalls them'. 2: He proclaimed: "O my people, I am to you a clear warner, 3: warning you; that you should worship God Almighty alone, be heedful of Him and obey me, (If you do so:) 4: He will forgive you your sins and give you a reprieve until a specified term. Indeed, God's term (when it is given) is not delayed, if you only knew." (After many years of preaching:) 5: He (Noah) said: "My Lord - I have called my people night and day, 6: but my call did not increase them except in flight (and aversion from the truth). 7: And indeed, every time (way and place) I called them, that you may forgive them, they put their fingers in their ears, and concealed themselves in their garments (shunning the call, hiding in cloaks as to not be seen), and they persisted with a haughty arrogance. 8: Indeed, I called them again, publicly. (Openly with eloquence, and yet they still rejected.) 9: And indeed, I proclaimed to them in a manifest fashion, and I advised them secretly. (By every good way of calling to the truth.) 10: Thence, I said to them: 'Ask for forgiveness from Allah, indeed, He is The One who forgives perpetually, (if you do so:) 11: He will send rain upon you in abundance'." (In a sparse land rain is considered ever more valuable, it is indeed, a precious commodity, the word for rain in Arabic is directly stemmed from the word for the heavens.) 12: And indeed, We will enrich you with wealth and children, and We will bring forth for you gardens and make for you (flowing) rivers. 13: What is wrong with you that you do not hope for Allah's grace? 14: And (that is whilst) certainly, He created you in measured stages. (From that of water to a clot to an embryo etc.) 15: Do you not see how He created the seven heavens in layers, 16: and that He made the moon, in her is a light, and the sun as a glorious lamp? 17: And indeed, Allah nurtured you forth from the earth, as one lovingly nurtured, (We are nursed and cared for by God Almighty in our mothers' wombs, connected to our mothers by ambilocal

cords like seeds in a plant. Every one of us is a being that flourishes due to the nurture and nourishment of The Most Loving, The Most Kind. He rears us with tender nourishment from the earth, literally attached to mothers who nurse us with loving tender care and affection. The words translated as nurtured stem from the word in Arabic used for plants, growth, nursing and loving care for children. Likewise, we all descend from Adam (peace be upon Him) who was lovingly sculpted and created from the soil of the earth, dispersed forth as seeds in family trees, in the same vein as that a tree casts forth its seeds. Allah nurtured us from the earth, nourished us with its food in the womb, connected like seeds are connected in a tree by veins that deliver the sustenance, encased like a seed in a trees branches and leaves, We are wonderous creatures that are nourished with love, all connected, tracing our roots back to our common ancestor and father Adam (peace be upon Him). This nurture also includes our spiritual nourishment, as Adam was the first prophet.) 18: then He will return you to it again and then

bring you forth from it with a new emergence. \*(We will be brought back to life, Indeed the one who made us in the first place, who made the Heavens above, the sun, moon and stars, is most capable of renewing something He already made, if only we were to reflect.) 19: And indeed, God Has made the earth a place

ample and expansive for you, 20: that you may travel upon her wide paths. 21: Noah said: "My Lord, indeed - they have disobeyed me, and followed one whose wealth and children only increased him in loss. 22: And they have conspired a tremendous plot, 23: moreover, they have declared: "And do not leave your gods, do not transgress against our idols - wadd and nor suwaan, and nor yaghooth and yaookg and nor nasran."

(These statues were named after righteous people, Satan having suggested to have statues made of them after their death to remind people to do righteousness, he told the next generation that the people used to worship these statues.

(Bukhari)) 24: Noah continues: And they have misled a lot of people, and they do not increase the wrongdoers except in misguidance." 25: Due to their sins they were drowned and made to enter a fire. And thus, they did not find any protectors other than Allah. 26: And thus Noah said: "My Lord do not leave a single inhabitant of the rejectors upon the earth, 27: for if you leave any of them (alive), they will mislead your worshippers, and if they were to have children they would not raise him except as a despicable rejector."

28: "My Lord, forgive me and my parents and any faithful believer that enters my house, and forgive all of the faithful believing men, and all the faithful believing women, and do not increase the rejectors except in destruction."

**Adam, Noah, Job, Abraham, Lot, Isaac, Ishmael, Jacob, Moses, Jesus, John The Baptist and Muhammad are all prophets that God Almighty has sent. May He bless them further and send peace upon Them forever**

### **Muhammad's ﷺ Name in The Bible**

**'His mouth is most sweet: yea, He is מוֹחַמַד (Muhammad)** (translated as 'altogether lovely' According to Ben Yehuda's Hebrew-English Dictionary, מוֹחַמַד is correctly pronounced "Mahamad") **This is my beloved, and this is my friend, O daughters of Jerusalem.'** *Song of Solomon 5:16*

**God Almighty has said:**

**"O mankind! Indeed, We have created you from a male and a female and made you tribes and nations that you may know; (each other and thereby that:) Indeed, the most honourable of you with God, is the one most heedful. Indeed, God Almighty is one All-Knowing, One All-Aware."** *The Sacred Qur'an 49:13*

There is only One God and He Is One, The King of Kings upon whom all rely. He was not born, nor did He have any children and there is no comparison unto Him in His nature, and His sublime attributes in truth. He is not in need of anyone or anything, whilst all are in need of Him.

All prophets submitted their will to The Almighty, alone. Sincere submission to God alone, is the meaning of Islam, thus obtaining peace.

**Jesus said:**

**"Whoever does God's will - is my brother and sister and mother."** *Mark 3:35*

**"Indeed, the way of life with God Almighty is Islam, and those who were given the scripture previously did not differ until knowledge came to them out of jealous animosity amongst themselves, and whoever rejects the signs of the Almighty then surely God is swift in reckoning."** *The Sacred Qur'an 3:19*
