Hi, I am Susan Gielskie, a new employee for Central NY YFC and also currently an online college student studying animation. I grew up in Delaware County on a homestead with my five, soon to be six, siblings.

I became involved with Youth for Christ through the Show Team program. I have really enjoyed learning about God and horses throughout the years of my participation. I will be helping Dorothy with the Equine Show Team Program April through November. When the Show Team ends for the winter I will be meeting with teens from a homeschooling group on Mondays at 10 am and Fridays after school 3:30-4pm. During these meetings the teens will continue to learn about horses as well as participate in Bible lessons.

To be able to pass on my positive experience to other young teens will be exciting and I am looking forward to this opportunity.

God bless, Susan Gielskie
