October 2021 Newsletter

Where did the summer go? It's October already! I can now relate to the old saying that as you get older, the faster time seems to go by. Although time seems to be moving quickly for me these days, at Youth for Christ there was time to replace the roof on the Unadilla Teen Center. This was an important and necessary project due to a few leaks and the age of the existing roof. We are fortunate that this project was completed before the winter season. We praise God for the generosity of our supporters that allowed this project to be completed and covered financially.

There was also time for the Campus Life ministry in Walton to make a decision to break its connection with Youth for Christ. The ministry will now be under the direction of the First Baptist Church of Walton. We have worked together for many years, starting in 2012, and the church's plan for the future is to focus on different ideas/programs that will continue to reach out to the teens in the Walton area. We pray that this ministry will reach many teens for Christ.

The discontinuation of the Walton Campus Life program will enable Central NY Youth for Christ to start a new ministry. We look forward to this new opportunity and we have started thinking about ministry possibilities. Please pray with us as we consider the direction the Lord would have us go.

We are currently working on our annual catalog. This will be mailed in November and is an important fundraiser for YFC. The catalog allows our supporters to see teens who attend our programs and also allows for specific donations to meet particular needs. We hope that you enjoy looking at events and activities that have taken place throughout the past year.

We have been blessed this past year as we navigated through the pandemic, completed projects at the Teen Center and continued to reach out to teens in our area. Thank you for your ongoing support of Central NY Youth for Christ, both with prayers and financially with donations.

In Christ, Dorothy Davidson
