Summer-2020 Newsletter

Praises:

- Mike Knowlton has been able to provide brown bag lunches for teens in need.
- The equine program has started with strict guidelines and rules for participation.
- An increase in interest for the Show Team program and 15-24 lessons being given each week.
- Teen Center is opening one day a week for small group meetings with teens. Covid-19 guidelines are in place.
- The 39 1/2 City of the Hills Bike Trip departed from MSBC on Monday August 3rd. The trip includes 5 day trips without overnight camping. The number of participants was limited to under 50 people as required by Phase 4 in NYS. The riding groups are small, with the same people in a group each day and will be required to adhere to social distancing and mask wearing guidelines. Temperature checks and screening questions for every participant are completed each day. There will be no large group meetings this year. Lunches are prepared ahead of time by individuals who are screened and wear masks and gloves during the food preparation. Hand sanitizer, gloves and extra masks are readily available.
- The yard sale at Knowlton's has been up and running. Donations of items to sell are always appreciated.
- YFC was able to participate in the rescheduled Otego Days annual yard sale.

Prayers:

- For the Bike Trip, including the leaders and participants.
- For safety during the trip and continued good health for each participant during and after the trip.
- For continued wisdom as YFC moves forward.
- For continued financial support to meet our new budget for the 2020-2021 fiscal year.

Thank you for your faithful prayers and financial support during these difficult times.
Yours in Christ, Dorothy Davidson, Executive Director
