### August 2020 Newsletter

As 2020 rages on, God in his goodness gave us two complete rainbows within a short period of time. I stopped to meditate and asked, "What is God trying to tell us." Then it came to me.

#### **God's promises are still the same.**

Despite the challenges, God's promises are still for us.

The rainbow reminds us that He will not destroy the earth with flooding again. But also:

God loved us and sent His Son. I John 4:10

He is with us always. Matthew 28: 20

God forgives us. I John 1:9

His peace will guard our hearts. Philippians 4:7

Jesus is coming back again. John 14:3

The list goes on.

Our church has been meeting outside. In my mind and heart, I hear the word of God sounding off the mountains each Sunday. When the speaker says "God", to me it seems to be extra loud and bounces from mountain to mountain reminding me that the rocks will praise God even if we do not. Many Sundays it looks like rain, but no rain has come. We are completely undeserving, but he has been so good. His goodness also abounds in hard situations that keep coming our way.

From the sounds echoing off the mountains to the appearance twice, of magnificent rainbows, God is revealing himself to us. He is still the God of mercy, grace, and love.

-Please **pray** with YFC as we continue to minister in these days of uncertainty. I see God's promise of deliverance and we are the messengers of it.

-**Pray** for wisdom as we seek new ways to minister to teens.

-**Pray** for the health of the staff and for the teens attending.

Below is a picture of the first complete rainbow a few weeks ago.  
It happened while I was riding, and it was incredible.  
Thank you for your continued support and prayers, Dorothy Davidson- Executive Director
