Adventures at Cornerstone Farm

It's hard to believe another Adventure Program season at Cornerstone Farm in Jefferson has come and gone! It seems to take weeks and weeks of planning and preparation, then a farm full of kids for a month and we turn around and school is getting ready to begin!

As I take an opportunity to look back on this summer, wonderful memories come to mind: bonfires, busy barn isles filled with kids putting their newly acquired horse-keeping skills to work, fun trail rides through the woods, thought provoking Bible studies and the interesting discussions that the studies sparked, early morning sunrises and shooting stars.

This year we were blessed with younger siblings of past participants attending camp for the first time. We had three siblings from two different families during the four weeks of camp. It was wonderful to be involved in their summer.

Every season brings unique challenges and this year was no different. It was awesome seeing God at work in the lives of these young people, watching how He provided for us over and over as the weeks progressed.

It is a privilege to serve these teens and to be a part of their journey in Christ. Thank you to all the volunteers who give up part of their summer to partner with us. Thank you also to those who prayed and contributed financially.

Please join me in praying for the continued spiritual growth that began in our Adventure Program camps.

From all the Cornerstone Farm crew,
Helena

Boy's Adventure Program-Cornerstone Farm-Jefferson

Praises:

- Faithful Volunteers.
- Baptisms-2 YFC teens during OCC Anchor service.

Prayer Requests:

- Trail Run, safety for participants and good weather.
- For the 4 Campus Life Programs that are starting.
- For the start of "student based" clubs in local schools and for Helena as she oversees this new program.
- For the Columbus Day horse show participants.

Central NY YFC Staff:

Dorothy Davidson-
Executive Director

Mike Knowlton-
Ministry Staff

Helana Salati-
Ministry Staff

Jody Wisse-
Office Manager

Operation Christmas Child

We hope to participate again this year. We will need financial help to buy items and pay for shipping. We have averaged thirty boxes for the last couple of years. The packing party date and time are TBD and will take place at the Teen Center.
