Salati's Summer Adventure Programs

We have just wrapped up another busy Adventure Program season here in Jefferson. This year we camped with 22 teens during 3 weeks of girls' camp and 1 week of boys'.

The weather was definitely a factor this summer, but it was so awesome to see the kids not let it get in the way of having fun. As always, the Lord used the rain to keep us in the barn a couple of times. While the rain poured outside we had wonderful fellowship and sharing inside.

It takes a small army of people who catch the vision of this ministry and then go to work to make camp possible. When we step out in faith to be Jesus' hands and feet, He always steps in. And it was awesome how people came forward to pray, cook, buy supplies, provide scholarship money and even take a week out of their summer to sleep in a tent only to get wet and muddy!

Most of all, we got to spend lots of time in discipleship with some wonderful teenagers and sharing life with them both from horseback and around the campfires.

Thank you for all your support!
