July 2016 Newsletter

Seeing how God works is awesome! I want to give God all the glory for Youth for Christ's fiscal year-end financial miracle. YFC has been struggling throughout the past fiscal year to meet the budgeted numbers that included increases for Mike Knowlton to become a full-time employee and also for taking on more monetary responsibility at the Teen Center. So, during this financial struggle, God has challenged me to trust in Him. Many times it was very difficult for me to step back and it seemed it would be simpler to fix the problem myself. During this time I had to continually convince myself to let go and allow God to be in control and I was called to pray and fast for His provision.

The Matching Gift fundraiser was our last fundraiser for the fiscal year that ended on June 30. When we sent out letters in May our organization was in jeopardy of not meeting our budget. The fundraising goal was to match \$10,000.00. This fundraiser was very successful and raised \$7,333.00. However, we came short of our goal. What a surprise the bookkeeper had for me when she gave me the final numbers and said that we were in the black for the fiscal year-end. As I think about the budget for the past year I still do not understand how we ended up ahead and I know it is only by God's grace. Praise be to God for His endless mercies.

We are truly thankful to those who were able to contribute to our Matching Gift fundraiser. This final fundraiser helped us meet our budgeted needs for this past fiscal year. We also continue to be thankful for our monthly pledged donations and to supporters that help financially throughout the year by participating in our other events.

Dorothy Davidson,
Executive Director

Praises!

Kid's hearts have been open to hear about God at all 3 Adv. Programs at Davidson's successful!

Weather for the Adv. programs has been good and all have been safe.

Ending the fiscal year financially healthy.

Unadilla Carnival of Sales/Pancake Breakfast made approx. \$1200.00.

250 Chicken Halves were sold on July 24 and approx. \$450.00 raised.

Prayer Requests

Safety for the remaining equine programs.

Safety for bikers and hearts to be open to hear God speaking to each attendee on the Bike Trip.

Parent Life Program-Being able to promote the program and connect with teen parents.

For more volunteers who have a desire to invest in the lives of the youth in our local communities.
