## March 2024 Newsletter

### Talent/Art/Craft Show

I attended and helped at the YFC's Talent/Art/Craft Show on March 9<sup>th</sup>. It was very enjoyable listening to some of the acts and the local worship team "New Wine". "New Wine" is a very nice group of young adults that I met downstairs earlier in the evening while helping with serving dinner for the group. The incredible presence of energy was amazing and the hope that came across in their worship warmed my heart. The talents and the positive energy from every young person was evident and the room was FULL. When that room filled with young people and parents all sang together...it was powerful and it was hope-filled! Dorothy Davidson commented at the end of the intermission performance that THIS is what YFC wants, to find followers of Christ-tomorrow's church making a difference in this world. Having each young teen and each young adult volunteer serving and ministering is so VERY important to our Lord and they are up against so much in today's culture. I thought it was difficult for me as a teenager, but today I know it is even harder. Please pray for them and support YFC in whatever way you can. God's church is not dead, it IS carrying on, the light IS still shining and it will continue until Jesus comes. So please encourage a young person seeking faith and seeking God-let them know God loves them, that they are fearfully and wonderfully made for a purpose-they really are "Youth For Christ".
