### First Horse Show and Joker Run/Walk Event

YFC had its first horse show of the season in Norwich. Seven riders participated along with our employee Susan Gielskie, a Show Team alumni. There were many "firsts" during the day including: the first show of the year away from the Davidson farm, the first time jumping for a few riders and for one rider, a first show. It is so rewarding to watch as each rider progresses in their riding abilities and skills. All of the participants had personal successes at the show in Norwich.

We pray before leaving the barn that we will help each other and work together as a team. We hope that others at the show will see a difference in us and wonder why. Our prayers also include asking that Jesus will shine through our successes, our failures and whatever else the day may bring. This challenges the teens to be a light to those around us. The Show Team teens are such a delight to be around and I can see their hard work and spiritual growth continually molding each of them.

Spectators are always appreciated at our shows and all are welcome to attend any of our shows at the Laurens farm or at the various County Fairs we will be participating in this summer.

Thank you to all who came out to the Joker Run/Walk either as a spectator, volunteer or as a participant. The weather of course, did not cooperate, however it was a fun day. We are also grateful to all of our business sponsors for supporting our Youth for Christ Teen Center and this event.
