The snow cleaning agreement is concluded between the service provider (ORC) and the Customer. Both parties meet each other's conditions specified in this snow cleaning agreement

All operating procedures will be in agreement with the list below:

The Client is responsible for clearing snowfall _____ inches or less unless otherwise arranged in your service agreement. This will avoid multiple charges for clearing traces of snow when paying by the job.
Fees for service will be based on area(s) to be cleared as per your service agreement: city sidewalk, front sidewalk and steps up to front door, sidewalk to back door, driveway etc.

 door, sidewalk to back door, driveway etc.
Clients can expect that snow clearing may not start until after the snowfall stops except when there is an exceptionally heavy snowfall over an extended time.

 Clients should phone the shoveler if the sidewalk has not been cleared within 48 hours of the last snowfall.

 Should the client or someone other than the shoveler clear the sidewalk, please call the shoveler and advise him/her as soon as possible.

The customer must pay the amount of dollars for services such as snow cleaning, delaying, scanning, etc. On the other hand, the snow cleaning company provides the customer's promised services. In this way, both sides will take good care of confidentiality and at the same time do everything to meet the expectations of the consultant's second snow. 000+ models ...
