# TRAINING FEEDBACK

## Additional Comments regarding session ?

NO comments as were well-taught to us

Is nothing, the session was good.

NA

we'd seen few MR- i would be better if this would be shown with denial

NO, it was adequate

It was good to know all information of MR

It was good

QNA session to be there after training session

Content is good please continue providing us.

IN NEXT TRAINING SESSION WE NEED TRAINING HOW TO RED MR AS PER CPT WISE. LIKE FOR WHICH CPT WHICH MR WE NEED TO SEND TO INSURANCE COMPANY.

Excellent session.

nice session, explained every small, small thing nicely.

It was very helpful to understand the concept

Need more example as we don't know more Diagnosis

None

I personally feel we should get 2-3 more examples to audit on E/M utilization tool

## What were your most important learnings from this event?

How the MR were audited

To able to identify the incorrections in EMR

I have learned General principle of medical record Documentation, And How to find the which CPT in Progress notes.

Got more Info about MR

Understanding of the MR

I learnt basics about MR, also info about MR and precautions needed while working on MR

All important information received related to MR

How to read the medical records and find out the reason for the denial of notes

How to read the medical record, what all things are included in medical record.

The most important learning was to how we can identify the issues from medical records.

Basic understanding of providers overall review of the patient

HOW TO READ A MEDICAL RECORDS, WE CAN CROSSVERIFY SERVICE TAKEN BY PATIENT IS CORRECTLY MENTIONED IN MR OR NOT.

The correct symptoms and diagnosis

CPT calculator and checking the chief complaints, related tests, MD sign and so on.

MR reading

Medical record check list. understood how to check medical records.

Learned all important points regarding Medical Records

How to check medical records.

overall, the plan in the Medical records was it relevant to the Treatment

The check list and E/M utilization tool is the most important learning I got from this event

## Any overall feedback for your trainer?

Explained in detail thank you very much.

good trainer

Good

No, training was as per the expectations

Good

Was good, easy to understand

The presentation and explanation received from Sam were very detailed. This will help us to check the records and analyse appropriately in the future. Thanks to Sam.

He is always the BEST TRAINER

No Feedback, Session was interesting and learn many things.

Good

Thank you so much for your extremely beneficial teaching. Your contribution to today's training provided a clear picture of MR audits

IN SHORT HE EXPLAIN IT VERY WELL, COMPACT AND VERY USEFULL

Very Good trainer.

Excellent

Excellent way of explaining concept.

THANKS FOR MAKING IT EASIER TO UNDERSTAND.

Good and shared lots of knowledge

Thanks so much for your very valuable training. I feel much better prepared to deal with uncomfortable issues. Thank you for your wisdom, experience and personable presentation
