Training Feedback: -

What was the key information you obtained in the Training for CPT ?

Most of the session.

All types of CPT's, modifiers, coding.

Concept and Logic behind the CPTs and modifiers.

Categorize of CPT codes & also the RVU too.

Perfect knowledge of CPT

History and importance of CPTs

Basics of CPTs

Modifier to use, stand-alone & indented codes, CPT symbols

Overall feedback for your trainer?

Explained very much in detail very nicely. The PPT was properly made and helped to understand the session better.

Good

Loved the session! Hungry for more :)

Trainer is perfect. But while giving training you asked our views or answers. But explain reason also why to use such things

KEEP IT UP

Excellent way of explaining the concept.
