COURIERS FOR CHRIST

Over 100,000 Scriptures Distributed

Our wonderful Lord once again brought together a tremendous team. The Zagreb, Croatia, scripture team was comprised of people from 15 different states, the furthest being Hawaii! Upon arrival the team quickly united and were ready to make an impact on a city of over one million souls.

Brother Lowrie suggested that we rent a panel van to use as a mobile scripture storage unit. This proved to be a tremendous help, because we could load each of our four team vans with scriptures and invitations each morning out of this mobile unit. This saved lots of time.

Prior to our coming to Croatia the weather forecast showed rain for nearly every day. We continued to ask the Lord to give us good weather and He certainly did. No rain! Each day was perfect for distribution. So our teams went to work and distributed over 100,000 John and Romans! That's a lot of sowing.

The night of the meeting we had around fifty visitors. Missionary Johnny Leslie preached a salvation message, and seven Croatians received Christ as their Lord and Savior. Twelve marked on their visitor's card that they wanted to attend a Bible study. Three others were saved, two on the streets and another during the morning service at Brother Leslie's.

Pray for the follow-up Bible studies for spiritual growth for those who are newly saved.
