Wormley Prayer Update - February 2019

UGANDA

Dear Praying Friends,

February was short month as always, but it was packed full of travels and different events each week. I was able to teach at the Eldoret, Nandi, Kitale, Uganda, and Mombasa Bible colleges, which made for a full schedule. I especially enjoy the times like this month where I am able to spend multiple days with the teachers and students at the Bible colleges.

In early February, some other pastors, missionaries and I went to Uganda for several days for the graduation of fourteen students and a one full day seminar. Towards the end of the month I returned for the second week of classes in the newly started Mombasa Bible

school. It is always a privilege and a joy to teach God's Word, but it is even more so when the students are hungry to learn. In Mombasa it was typically around 100 degrees with what felt like 150% humidity! It was very hot, but nevertheless the classes went on and we had a great second week.

We have several things planned for the next several months in Mombasa including a church leaders seminar, evangelism outreach, couples conference, and a seminar on reaching Muslims with Christ. Please be in prayer for these things.

Abram and Journey with friends

Bethany has been very busy this month as well! She normally has 2-3 Bible studies a week as well as the full time job of watching after a crazy little monkey named Abram and his sweet little sister! She has seen God really working with one young lady that she has been discipling. Please be in prayer for her friend Nana and her family that they may come to Christ in faith. This week we will be making a quick trip to Nairobi to complete the paperwork for a passport and American citizenship for Journey! Would appreciate prayers that it will all go quickly and smoothly. Let us know if we can be praying for anyone in any way. Thanks so much, God bless.

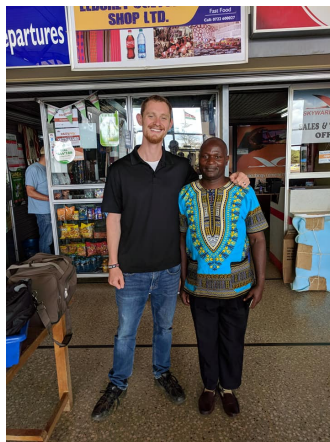

Living for Eternity,

Josh, Bethany, Abram and Journey Wormley
