

Pat and Wendy Campbell ~ Teaching and Ministering at Seminario Evangélico Bautista Independiente del Cusco in Urubamba, Perú

### May-June 2019

**Colossians 2:6-7** *"6 As you therefore have received Christ Jesus the Lord, so walk in Him, 7 rooted and built up in Him and established in the faith, as you have been taught, abounding in it with thanksgiving."* This is our prayer for the students as they learn, grow in His Word, and in their spiritual life. Will you pray for them, and for us as we grow in the Lord and to discipline our lives as we serve Him?

#### Baptism in New Church Plant of Yucay

It is an exciting moment to experience the obedience of a believer in baptism. The pastor on the left is Juan Bautista, a graduate of SEBIC. This is a new work in a neighboring community, and we are witnessing its growth. The pastor on the right is BMM missionary, Pastor Samuel Rojas. There were four baptisms that Sunday, two from the Baptist Church of Grace and Faith and the New Life Baptist Church of Urubamba. This is the baptistery, an aqueduct from the mountains. Another exciting piece is, the young girl's name is Claudia, who has attended the local AWANA group at New Life Baptist Church and Wendy has gotten to know her the past two years. PTL

#### Visuals Class with First Year Students

Wendy taught the Visuals and Pedagogy Class. They worked hard learning to write lesson plans, incorporate activities into their curriculum, use of puppets, and many other visuals to promote the learning of God's Word. Thank you to BMM missionary, Rachel Tarvin, for translating and assisting. The picture on the third page is a picture of one of two of the public school classes we visited to give our students a hands-on experience of what they learned in class. We were able to share a Bible lesson, puppets, and music. The best part was being able to hand out a Gideon Bible to each one of the students and teachers.

We are thankful for students who are willing to help and encourage other students. Pictured is third year student, Shakira, helping a first year student to create a power point for his upcoming Biology I presentation.

Pat had the opportunity to take another 'paseo' on bicycles with the staff and local pastors to the town of Ollantaytambo. It was a good opportunity of fellowship and getting to know one another better.

Above are some updated photos on the construction of the dorm rooms which will house the married students with families. They will soon be working on the ceramic tiles in the bathroom. Thank you for your prayers and finances with this building project.

We thank the Lord for the progress in the remodeling-construction of the Philadelphia Baptist Church in Ancahuasi, Peru. Some of our supporters financially made this a possibility. Thank you, and please pray for Pastor Donato, his family, and the church as they grow in the Lord and serve Him in their community.

Picture of the Public School Class in Chichubamba

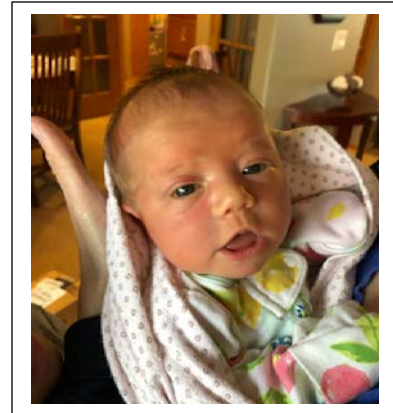

Pat had the opportunity to preach the morning service at New Life Baptist Church (which is now meeting in the SEBIC chapel) as part of the Mission Conference. As an extension of the Mission Conference, the SEBIC seminary will be working with New Life Baptist Church to reach out to the Urubamba community with a Evangelistic-Medical Outreach July 15-20<sup>th</sup>. The outreach will be held on the SEBIC campus and they are expecting many people. **Please pray** for this evangelistic event, for the “harvest is plentiful “. The evangelistic teams will consist of volunteers from the states, missionaries, SEBIC staff, students, and church members from New Life. Translating for Pat is BMM missionary, Samuel Rojas.

Can't wait to give you the update!

The **PLAYBALL!!! Ministry** is June 28-July 8<sup>th</sup> in the **Dominican Republic**. Please **start praying** for the young boys attending and for decisions for Christ to be made.

**Praises:** Biggest praise is our newest granddaughter, Elle Gwendelyn. Welcoming Elle are her parents, our youngest daughter, Tiffany, husband, Chad, and her six brothers and sisters.

**Other praises:** Pat's classes are going well, and he will be returning home soon. Thankful for all those who helped by translating.

**Prayer Requests:** We have two VBS opportunities in June as soon as Pat returns. Please pray for our preparations, the teachers, and for the youngsters attending as they hear the Word of God.

Please pray for the continued progress with the dorm construction. Both with workers and funds needed to complete the first floor.

Pray for the Medical Campaign at SEBIC July 15-20<sup>th</sup>.
