Dear Supporters,

Ephesians 2: 4, "But God, who is rich in mercy, for his great love wherewith he loved us". I'm so thankful for God's great love for me. He provides for me, forgives me, uses me and gives me strength for every day. We have had a busy and fruitful summer serving our Lord. So thankful for the many churches we have been in all across America and in Canada. We have preached Mission Conferences, Revivals, and special emphasis Sundays. It has been busy but rewarding to see people that still want to hear God's Word, surrender to Him and just being faithful where God has them.

We need revival, we need young people to sell out to God and we need preachers. We have been in several churches that are in need of a pastor or someone willing to help them until they get one. We have seen churches close because no one wants to take up the mantle and serve. BUT we still have a God that is calling, and wanting to use people to reach the unreached at home and abroad. God allowed me to preach in the opening week of a brand new church in Calgary, Canada. The only Baptist church in the area, what an opportunity this man has with this area. I have also been asked to help another work in Saskatchewan, Canada that is without a pastor for now. There is a work in Manitoba, and in Ontario that is without a pastor, so we covet your prayers for someone that will go and pastor these churches. Please pray with us.

We have a few health issues that we need your prayers for: Kathy complete knee surgery and I have a disc problem in my neck with possible surgery in the next couple months. Pray for our safety on the roads and for meetings and for people to surrender to God for salvation, and service.

Have a blessed Harvest and Thanksgiving from Kathy & I. We love each one of you and appreciate your love for us, your prayers and your support. Thanking God for faithful churches that still support and pray for their missionaries.

Serving Him Until He Returns
