in southwestern Brazil

ALL GLORY TO GOD

M ARCH AND APRIL 2020

GOD KNOWS WHAT HE'S DOING

Governments are arising with their accusing fingers pointed at each other while people globally live with fear and, daily, imagine vain things. Oh that they could know that the future has already been written with hope for those who will turn to God and wholly place their trust in God's only begotten Son. What's going on in our world today is perplexing, to say the least but, God's people were not saved to live in fear. We are a people of faith in God, the Son, Jesus Christ. We should, of course, understand the danger around us and take measures based upon good sense and the most reliable medical information possible. But we must not forget those we are, whom we serve and why we are here at this time. God knew this was coming and expects us to be good stewards in whatever place He allows us to be. Please pray for God's effectual working in and through our lives.

HEALTH NEWS...

We certainly covet your prayers that God will give us the necessary health to be used of Him in all that He has for us to do and to accomplish. Mary and I believe we are in good health. She has always had multiple health issues, some of which has had to do with her respiratory system but, she is doing fine, enjoying overall good health and she is an inspiration wherever she is. Please pray that we both can be a effectual witness and an encouragement to all we meet and, especially, to our Christian brethren in this new area of Brazil.

PROVISIONS FROM GOD...

As we look at the past 2 months of moving and getting settled in the state of Paraná, a trip of over 2,000 miles, we praise and give thanks to God for raising up many churches and individuals who have prayed for us during many years and, for four churches who made this move financially possible. We are deeply grateful for each church that lifts us up before God's throne of grace and makes it possible for us to remain on the field where God has sent us to minister His Word. We desire and must do all we can while we can. We love you and know you love us.

In Christ Jesus, our soon returning Redeemer,

Bill and Mary
