| Condition: | New | Cabins: | 1 | | |

Description

High-performance SUV for the water

The Cormate Chase 32 has its world launch during this year's "Båter i Sjøen"! It is a further development of the Chase 34, which has won 2nd place in the prestigious "Concours d'Elégance" during the boat fair in Cannes.

The Chase 32 is optimized for single engine installation by, among other things, changing the weight distribution and the bottom structure.

Good predictable sea characteristics and the ability to maintain high speed even in rough seas have had the highest priority during the design process. Nevertheless, the Chase 32 are also very versatile and user-friendly with their open walkaround solution, and a living comfort in the day cruiser class.
