

STRIKE ON 2.02.2024

Dear parents,

You have probably already read in the media that another strike is planned for next Friday.

! The school buses are not affected.

! The school trams will not operate.

The bus line 30 will run only till Elbinger Straße every 30 minutes.

We kindly ask you - if you have not already done so - to form car pools and, if you have free spaces in your car, to offer them to other pupils. You can either use [Classlist](#) or the Whatsapp groups of the trams.

We would also like to point out that - depending on the individual situation - it might be easier and faster not to drive to the Europaviertel by car, but to stop in the Waldstadt or Hagsfeld. We would like to point out in particular a small and relatively little known footpath through the forest, through which the school can be reached relatively quickly on foot from Hirschgrabenweg. (The numbers on the map indicate the distance in metres to the school. In Waldstadt, all blue lines start at designated parking spaces, in Hagsfeld it is just parking at the roadside). The small footpath is not marked in [Google Maps](#), among others, which is why it is relatively unknown, but it is in [other map services](#).

Kind regards
Your Transport Committee
