Are you currently covered under, or does this coverage replace, an Aflac individual policy? **YES** **NO**
If yes and if it is the same type of coverage you are applying for on this application, please identify which individual policy(ies) you already have: Critical Illness Accident Hospital Indemnity

If this coverage will replace any existing Aflac individual policy, please be aware that it may be in your best interest to maintain your individual guaranteed-renewable policy via direct bill.

I have considered all of my existing health insurance coverage with Aflac and believe this additional coverage is appropriate for my insurance needs. I further understand that I can contact Aflac at 1-800-992-3522 regarding my individual policy and for assistance in evaluating the suitability of my insurance coverage.

If a covered child reaches a limiting age as specified in the certificate or a rider, it is your responsibility to notify the company.

To the best of my knowledge and belief, my answers to the questions are true and complete. They are offered to Continental American Insurance Company as the basis for any insurance issued. I realize any intentional misrepresentation in the application may result in loss of coverage under the certificate. I understand that no insurance will be in effect unless I am actively at work on the effective date of coverage, and until my application is approved and the necessary premium is paid. If I am not actively at work on the effective date of coverage, coverage will become effective on the date I return to an active work status.

I understand and agree that the coverage I am applying for may have a pre-existing condition limitation.

I authorize the Group Policyholder to deduct the appropriate dollar amount from my earnings each pay period to pay Continental American Insurance Company the required premium for my insurance.

Any person who knowingly presents a false or fraudulent claim for the payment of a loss is guilty of a crime and may be subject to fines and confinement in state prison.
