Time 4/4 — Key D — No capo

INTRO: D

1. D G
I've been searching for a long, long while

D A
Opening doors for many a mile,

D G
Nose dragging along the ground

D Bm A D
You know, I lost my baby in the Lost & Found.

CHORUS: G D A D
I lost my baby in the Lost & Found.

G D A D
I lost my baby in the Lost & Found.

G D A D G D A D (repeat after each CHORUS)

2. I've seen couples strolling hand in hand
And I thought to myself, "Now wouldn't that be grand!"
Felt my head spin, my heart pound and pound
I lost my baby in the Lost & Found. (CHORUS)

3. It isn't easy being on your own
Still back in the nest when all the birds have flown,
They've all gone south and I just hang around
I lost my baby in the Lost & Found. (CHORUS)

4. You know, I thought she was the only one
And our life together had only just begun,
Just for a moment I looked around
And I lost my baby in the Lost & Found. (CHORUS)

OUTRO: G D A D
