1. G D/F#
A bottle of wine

Em
Out in the street

G D/F#
He ain't got no bread

Em
He ain't got nothing to eat

G D/F#
He's tired and hungry

Em
His throat it is dry

G D/F#
His eyes are so empty

Em
They've forgotten how to cry

CHORUS: C G D G
Waiting, waiting

C G D/F# G
Waiting, Hmm

C G
Then out from the night

D G
There comes a shout

C G
As he gets down to his knees

D/F# G
And blows the candle out.

BREAK: C G D/F# G C G D/F# G

2. The streets are all empty
Everyone's gone home
Under the streetlamps
There's a man walking alone
He searches the sky
For a star to wish upon
But there's only the lamplight
And the road he's walking on (CHORUS + BREAK)
