Time 4/4 — Key G — No capo

INTRO: D (a c d b c d) G (a b c) (x2)

1. D Cma9 G (a b c)  
It's been so long since I've known you
- D Cma9 G (a b c)  
But still I don't know you at all
- D Cma9 G (a b c)  
Now I wonder in the silence
- D Cma9 G (a b c)  
If I still could hear you call
- D Cma9 G (a b c)  
I've been listening for the voices
- D Cma9 G (a b c)  
Calling from the sky above
- D Cma9 G (a b c)  
And you know there are no choices
- D Cma9 G (a b c)  
When you've found the one you love
- D Cma9 G (a b c)  
When you've found the one you love (repeat INTRO)

2. Don't you know that I've been waiting  
And I'll wait until the day  
I can fall into your shadow  
Or you chase the sun away  
I've been listening to the voices  
Calling from the sky above  
And you know there are no choices  
When you've found the one you love (x 2) (repeat INTRO)

BRIDGE: Am Am7 G D  
Paging through the memories of a time I never lived

Am Am7 G D  
Don't you know how much I missed you

Am (b) C G D  
There's so much to find out about and so much left to give

D/C G/B Am G (a b c)  
Ever since the day I kissed you (x 2) (repeat INTRO)

3. Now I don't know about tomorrow  
And I can't be sure today  
If I'll ever feel you near me  
Or I'll ever hear you say  
That you've been listening to the voices  
Calling from the sky above  
And you know there are no choices  
When you've found the one you love (x2)
