Time 2/4 — Key A — No capo

INTRO: A Ama7 A7 D/F# Dm/F A E

1. A Ama7/G# A7/G
Listen to the wind come whistling through the trees

D/F# Dm/F A E
Let the memory take you there and put your mind at ease

A Ama7 A7
The first time we were here the moon lit up the sky

D/F# Dm/F A E
But now the clouds have covered it and kissed the stars goodbye

A Em7/F# A7/C# Dma7 Dm9
What a shame it's over, there's no one left to blame

A E7 A
But the rain-soaked ground beneath us and the rain

2. Wasn't it over there you took me by the hand
Led me through the silent woods as though you'd had it planned
You never stumbled, you showed me where to go
And then you taught me everything a man could want to know
But now I guess it's over, there's no one left to blame
But the rain-soaked ground beneath us and the rain

BRIDGE: D A
(1) What if we're to find ourselves a solace deep within

D E7
Will we have the strength to pick ourselves back up again?

A Dma9
Cause after we've been through the years

A D
Shared our sorrows, shared our fears

A D E7 A
The memory will come to haunt us once again

BREAK: A D A D A D
(1) Oh oh oh oh oh my little one

A D E7
Oh oh oh oh oh oh oh

A D A D A D
Oh oh oh oh oh my little one

D E7 A
I'll wait for you, please come back home again

3. Now I'm here alone waiting for the night
Wondering how you're doing and if everything's alright
I'll stay here till it's morning, wait to see the dawn
Look around me one more time, then put my boots back on
What a shame it's over, there's no one left to blame
But the rain-soaked ground beneath us and the rain

BRIDGE: What if I'm to find myself a solace deep within
(2) Will I have the strength to pick myself back up again?
But after I've been through the years
Hid my sorrow, wiped my tears

BREAK:
(2)
The memory will come to haunt me once again
Oh oh oh oh my little one
Oh oh oh oh oh oh
Oh oh oh oh my little one
The memory will come to haunt me once again
