1. C G
The girl's only asking

F C
For all that you can give her

C G
And on the bar stools inside

F
The boys are looking for a fight

C G
Pablo says, "Gimme a match"

F C
And starts to shiver

C
This is no place to be out

G F C
Walking alone late at night

CHORUS: F
We have spent our time

C
Drinking up the night

F C
Hoping it'll be okay

G
In the morning light

G C
Drinking—drinking up the night

2. Muddle Puddle Friday
Comes around
You can dance a jig
And get high as a kite
Find a dream
That'll leave you crawling on the ground
And then you find a way
To tell yourself it's alright (CHORUS)

3. Dodging the taxis
Screaming at the sky
Bumping your head
Against whatever's in your way
Tell a joke
Tell a better lie
Tell me what time it is
If you think that you can say (CHORUS)
