Healthy homes

Doña Pepa - Ciudad Quesada

Villa Jamy

From €985,000

Unlock Costa Blanca's sunshine with your new home

Large luxury villa in modern chique style included with a private pool, a private terrace, a storage room, a basement, and your own garage. The villa is located in Doña Pepa - Quesada, which is located on a hill combining a quiet environment and a sunny area. The area is known for the huge salt lakes near the port city of Torrevieja, which create a healthy environment due to the salt and iodine. In addition, the city has views of the Sierra de Orihuela Mountains, an important nature reserve and hotbed for diverse flora and fauna.
