Healthy homes

Doña Pepa - Ciudad Quesada

Apartment Lela

From €297,000

Unlock Costa Blanca's sunshine with your new home

Luxury apartment included with a community pool, a garden, a storage room, and a private garage. The apartment is located in Doña Pepa - Quesada, which is located on a hill combining a quiet environment and a sunny area. The area is known for the huge salt lakes near the port city of Torrevieja, which create a healthy environment due to the salt and iodine. In addition, the city has views of the Sierra de Orihuela Mountains, an important nature reserve and hotbed for diverse flora and fauna.
