Healthy homes

Doña Pepa - Ciudad Quesada

Villa Diego

From €726,398

Unlock Costa Blanca's sunshine with your new home

luxury villa in bohemian chique style included with a solarium, garden with pergola, a private pool, a private terrace, a storage room, and your own garage. The villa is located in Doña Pepa - Quesada, which is located on a hill combining a quiet environment and a sunny area. The area is known for the huge salt lakes near the port city of Torrevieja, which create a healthy environment due to the salt and iodine. In addition, the city has views of the Sierra de Orihuela Mountains, an important nature reserve and hotbed for diverse flora and fauna.
