Healthy homes

Doña Pepa - Ciudad Quesada

Penthouse Amelio

From €317,000

Unlock Costa Blanca's sunshine with your new home

Luxury penthouse in modern chique style included with a solarium, a community pool, an outdoor terrace, and a community garage. The penthouse is located in Doña Pepa - Quesada, which is located on a hill combining a quiet environment and a sunny area. The area is known for the huge salt lakes near the port city of Torrevieja, which create a healthy environment due to the salt and iodine. In addition, the city has views of the Sierra de Orihuela Mountains, an important nature reserve and hotbed for diverse flora and fauna.
