(Manufacturer) (Représentative) CERTIFICATE OF SHOP INSPECTION													
\/es	sel constructed h	v				ir-X-Change			at	Tuisa,	Oklahoma		
I the undersigned, holding a valid commission issued by the National Board of Boiler and Pressure Vessel Inspectors and/or the State or Province of													
_		O.	lahom	a		and empl	loyed by	Cor	nmercial Unior	Insuranc	e Company	'	
have inspected the component described in this Manufacturer's Data Report on 7-6-19 99, and state that, to the best of													
my knowledge and belief, the Manufacturer has constructed this pressure vessel in accordance with ASME Code, Section VIII, Division 1. By signing this certificate neither the Inspector nor his employer makes any warranty, expressed or implied, concerning the pressure vessel described in this Manufacturer's													
Data Report Furthermore, neither the Inspector nor his employer makes any warranty, expressed or implied, concerning the pressure vessel described in this imandiactors of													
any kind arising from or connected with this inspection.
