

# ENVIRONMENTAL COMPLIANCE SPECIALIST

NORTHERN VIRGINIA REGION  
(LEESBURG, FAIRFAX, FREDERICKSBURG)

SOUTHEAST VIRGINIA REGION  
(WILLIAMSBURG, NORFOLK, SUFFOLK)

## Job description

- Conduct inspections at various project sites to ensure compliance with Standards and Specifications (Erosion & Sediment and Stormwater Management), as well as local, state, and federal regulations, as applicable.
- Provide coaching and guidance to on-site personnel regarding environmental compliance and stormwater pollution prevention plan (SWPPP) book documentation requirements.
- Perform stormwater management inspections on operational facilities and evaluation of their best management practices (BMPs).
- Dual certification (stormwater and erosion & sediment) or comparable experience required.
- Day trips to sites ~4 days/week with home office time for reports and administrative tasks.
- Safety training and PPE to be provided.
- Computer and cell phone will be provided.
- Personal vehicle mileage reimbursed.

## Location

- Hiring for two positions. Home location is flexible, but work area would be either north and northwest Virginia-focused or southeast Virginia / northeast North Carolina-focused.
- Per diem or meals/lodging expenses may be covered depending on circumstances.

We offer competitive compensation and comprehensive benefits and programs. We are an equal opportunity employer; all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, pregnancy, age, marital status, disability, status as a protected veteran, or any legally protected status.
