<p>Birch Twigs – Natural</p> 	<p>Birch Twigs – Champagne</p> 	<p>Craspedia - Champagne</p> 

Decoration

<p>Dried Hydrangea</p>  A photograph of two dried hydrangea flower heads. One is a light, yellowish-green color, and the other is a darker, brownish-green color. They are attached to thin, dark stems.	<p>Pine Cones – Natural</p>  A photograph of three natural pine cones of varying sizes and orientations, showing their characteristic brown, scaly texture.	<p>Pine Cones – Silver</p>  A photograph of two pine cones that have been painted with a silver or white metallic finish, giving them a shimmering appearance.
<p>Poppy Heads – Natural</p>  A photograph of several dried poppy heads (seed pods) on their stems. The pods are a light tan or beige color and have a rounded, bulbous shape.	<p>Teasles – Natural</p>  A photograph of several dried teasles on their stems. The heads are a dark brown color and have a spiky, textured appearance.	<p>Teasles – Silver</p>  A photograph of several teasles that have been painted with a silver or white metallic finish, giving them a shimmering appearance.
<p>Cinnamon Sticks</p>  A photograph of several cinnamon sticks bundled together with white twine. The sticks are a light brown color and have a rough, bark-like texture.	<p>Dried Orange Slices</p>  A photograph of three dried orange slices. The slices are a bright orange color and have a slightly textured, dried appearance.	<p>Dried Whole Green Oranges</p>  A photograph of several dried whole green oranges. The oranges are a dark green color and have a textured, slightly wrinkled appearance.
<p>Faux Red Berries</p>  A photograph of several faux red berries on thin, dark stems. The berries are a bright red color and have a smooth, glossy appearance.	<p>Faux Rose Pink Berries</p>  A photograph of several faux rose pink berries on thin, dark stems. The berries are a light pink or lavender color and have a smooth, glossy appearance.	

Ribbons

<p>Wire Edged Hessian – Natural</p> 	<p>Wire Edged Hessian – Silver</p> 	<p>Velvet – Silver</p> 
<p>Velvet – Moss Green</p> 	<p>Velvet – Claret</p> 	<p>Grosgrain – Red</p>
